3. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. This date is some times adjusted by the manufacturer due to production changes. Please check the buildout date before ordering.
7. If you need to cancel an order, cancel it early in the process. After a vehicle has been on order for a short time, (usually about 10 days), the manufacturer will not accept a cancellation.
